User Stories:

Need to have's
- As a user I can sign up
- As a user I can login
- As a user I can logout
- As a user(pass) through vehicles I can make reservation if logged in
- see price
- As a user(owner) I can enter/register a vehicle

Nice to have's
- As a user(owner) I can set vehicle availability times
- As a user(owner) I can set price for vehicle
- As a user(pass) I am presented with a list of cars (in area/map)
- As a user(pass) I can see vehicle availability
- As a user(pass) I can edit reservation
- As a user(owner) I can edit vehicle details
- User can edit user information
- User can see reservations

Happy to have's
- will be able to see current location of vehicle
- see cars on map
- can sort available cars by location
- As a user(pass) can review vehicle
- As a user(owner) I can review passengers
- As a user(pass) can see their user profile
